Patent pending AlgaeCal is an ocean algae from South America that is revolutionizing calcium supplementation. AlgaeCal is more than a rich Calcium source - it also contains large amounts of magnesium and bone supporting trace minerals and all are plant-derived from bioavailability!

**Suggested Use** As a dietary supplement, for Prevention or Maintenance – take three caps daily. For Bone Growth – take two caps each morning and night with meals. Also take our companion product Strontium Boost™ to maximize bone growth. Do not use if pregnant or nursing unless directed by your physician.

**Warning:** Individuals taking anticoagulant drugs such as Coumadin or Heparin should avoid Vitamin K supplements unless otherwise directed by a physician. Keep out of reach of children.

FruiteX B® calcium fructoborate is manufactured under US Patent 5962049, and is a registered trademark of VDF FutureCeuticals, Inc., used under license.
