

AlgaeCal® Plus

# Strontium Boost

A KEY PART OF THE ALGAE CAL®  
BONE BUILDING PROGRAM†

DIETARY SUPPLEMENT  
90 Easy-To-Swallow Veggie Capsules

## S U P P L E M E N T F A C T S

Serving Size: 3 Capsules  
Servings per Container: 30

	Amount Per Serving	% D.V.*
Strontium Citrate (680 mg elemental Strontium)	2230 mg	*

\* Daily Value not established

**Other Ingredients:** Vegetable Capsule

† This statement has not been evaluated by the Food and Drug Administration.  
This product is not intended to diagnose, treat, cure, or prevent any disease.

**Suggested Use** As a dietary supplement for bone support take three capsules daily (with or without food). Take all three caps just before bed or first thing in the morning to avoid taking strontium at the same time as calcium containing meals/ supplements.

**Important Note** Strontium and calcium absorption is reduced if taken together, so ideally you should take your AlgaeCal® Plus calcium supplement with breakfast and evening meals to maximize calcium absorption, and Strontium apart from the calcium by at least an hour so the two minerals do not compete for absorption.
